WESTBURY SILKS

WESTBURY SILKS

James Hare's new Westbury Silks bring traditional decorating themes right up to date, with a co-ordinating collection of French knot and spot designs on luxurious silk and linen.

Trailing Tree, is an exquisite design inspired by a 17th century silk print. French knots are hand sewn over an embroidered leaf design on both a silk and linen background. This traditional design comes in eight colours and is given a very modern appeal by an inspiring palette of neutrals in shades of cream, taupe and blue.

Silk Circles, features raised appliquéd spots on contrasting linen/silk background. Fresh and fun, it comes in six colours.

The new Westbury Silks are perfect for curtains, blinds, cushions, lampshades and wallcoverings.
